CABINET HARDWARE SPECIALISTS

## We have *moved!*

- Bigger premises
- Strategic location
- Faster despatch
- Larger stocks
- Furnware - *1st in Service!*

Our Warehouse, Despatch and Trade Counter are moving to bigger premises to provide our valued customers with even greater service. Our new warehouse is four times the size of our current location, and being strategically located to enhance our level of service, the team at Furnware is excited about this move forward as we strive to exceed the expectations of our customers.

**New Address:** 1-5 Jessica Place, Prestons NSW 2170.

Please note that as of 9th January 2012, our Warehouse, Despatch and Trade counter will be located at this new address. Our Administration and Sales team remain at 18 Burns Road, Heathcote NSW 2233.

Our Trade counter at Heathcote is closing.

Please note that our telephone, fax and email details remain the same.

Huge range of Waste Bins available. See Section F. of our 2012 Catalogue!

## Hideaway® Compact Bin

### Range Features:

- Hideaway Compact bins are 'compact' in design making the range ideal for areas with limited space. The units are top mounted and this mounting panel acts as a cover for the bucket/s. One check-out is included in the mounting panel for a replaceable perfume sachet that will assist with unpleasant odours.
- TRACKS - quality ball bearing runners that over extend, allowing easy removal of buckets from beneath the bench top and have a dynamic weight loading of 40kgs.
- METAL GAUGE - 1.0mm Zinc treated steel, powder coated for durability.
- BUCKETS - made from a recyclable, food grade polyethylene plastic. All buckets come complete with a liner holder to hold your bag in place.

### Compact 1 x 15 Litre Bucket

- 260mm W x 310mm H x 360mm D
- 15 litre bucket holds a standard supermarket shopping bag
- Suitable for bathroom vanities and motor homes

See our Catalogue for our complete range of Ducting!

## Deflect-O Venting Systems

Deflect-O eave venting kits are ideal for ventilation options requiring bends to navigate around obstacles within the roof cavity.

Supplied with the most efficient type of flexible ducting - Semi-rigid aluminium ducting holds its full diameter and form when bent into shape, and also offers a superior temperature range to that of flexible foil type ducting.

Ducting expands to a straight length of 3000mm and should be extended in sections from the centre - out to each end. Refer page F.63 for further details.

The grill vent consists of a calcium filled, polypropylene plastic with UV stabilisers and comes with a removable front grill and mesh for ease of cleaning.

### Deflect-O Rangehood Universal Semi-rigid Kit - Wall/Eave

- ✓ Suits both 125mm or 150mm installations
- ✓ Alternative option to roof penetration - no leaks
- ✓ Effective and unobtrusive
- ✓ Overall maximum length of 3000mm - less with bends
- ✓ Extend reach with additional duct, sleeve and clamps
- ✓ Installation by a professional is recommended

**Kit includes:** DFHGV6 - Grill Vent C/w Screen 150mm  
 DFSRD150.3 - 3000mm Semi-rigid aluminium ducting  
 125mm x 300mm Semi-rigid aluminium ducting  
 DFDIRB65 - 125mm to 150mm Duct increaser  
 DFMC6 - Metal worm drive clamps 150mm  
 DFMC5 - Metal worm drive clamps 125mm

Part No.	SPECIAL Price	Regular Price	Per
DFRHKE65	68.50	98.73	ea

## Deflect-O Layflat Ducting System

Layflat wall venting kits offer a low profile rectangular ducting alternative to standard round aluminium ducting. The Layflat system is ideal for installations with minimal space allowances.

The external dimensions of 210mm L x 66mm W offers greater options to vent in-between floors, wall spaces, or on the top of kitchen cabinets in a smooth, efficient manner that is less conspicuous than other forms of ducting.

The Layflat venting kit is universal allowing it to be used with either 125mm or 150mm venting applications.

For increased safety, the Layflat system is manufactured from white, flame-retardant, self-extinguishing plastic. Installation by a professional is recommended

### Deflect-O Layflat Universal Rangehood Venting Kit - Wall

- ✓ Suits both 125mm or 150mm installations
- ✓ Overall maximum length of 2000mm
- ✓ Shorten ducting length with sharp hacksaw if required
- ✓ Extend reach with additional channel and channel connectors
- ✓ Installation by a professional is recommended

**Kit includes:** DFLFAB.WH - Airbrick (white)  
 DFLF1000.WH - 1.0m Layflat channel (x2)  
 DFLFDC.WH - Channel connector  
 DFLFDS.WH - Channel clip (x2)  
 DFLFWP.WH - Rectangular wall plate  
 DFLFREB.WH - Rotating Elbow Bend 125/150mm  
 150mm x 700mm Semi-Rigid aluminium ducting

## Surface Protection

### Mask 'N' Peel

Mask 'N' Peel IPF127 is a premium protection film with a high level of adhesion. It is used for the protection of melamine doors and panels during painting and other processes. May also be used as a general purpose protection film.

- Thickness: 0.07mm
- Colour: Orange tint

Part No.	Size	SPECIAL Price	Regular Price	Per
IPF127.85	850mm x 100 metre	122.50	141.40	roll
IPF127.122	1200mm x 200 metre	319.00	366.50	roll

### Rout 'N' Peel

Rout 'N' Peel IPF220 is a premium protection film with a high level of adhesion. Used extensively for the protection of melamine and laminates during routing and machining prior to painting. This unique film provides a clean edge during most machining operations. May also serve as a general purpose protection film.

- Thickness: 0.08mm
- Colour: Blue tint

Part No.	Size	SPECIAL Price	Regular Price	Per
IPF220.75	755mm x 100 metre	96.20	112.00	roll
IPF220.122	1220mm x 100 metre	151.00	177.25	roll

### Protect 'N' Peel "Benchtop Saver"

"Benchtop Saver" is a premium protective film which provides temporary surface protection for a wide variety of surfaces. "Benchtop Saver" is suitable for use on some painted finishes, laminates, stone, and fibreglass products, i.e. kitchen benchtops, spa baths etc. Applied to kitchen benchtops after installation "Benchtop Saver" provides protection from damage and the Black/White film gives visual evidence if damage does occur.

- Thickness: 0.12mm
- Colour: Top - White, Adhesive side - Black

Part No.	Size	SPECIAL Price	Regular Price	Per
IPF400	640mm x 100 metre	146.90	170.40	roll

### Aluminium Foil Tape

Designed specifically to provide a heat and moisture barrier for the underneath of benchtops and oven cavities. Aluminium foil tape is ideal for protection from damage and deterioration caused by under-bench ovens and dishwashers. The aggressive adhesive makes IPF830 suitable for most benchtop surfaces including solid timber, chipboard/laminate, solid surface, all stone etc.

- Thickness: 0.2mm (reinforced)
- Colour: Silver

Part No.	Size	SPECIAL Price	Regular Price	Per
IPF830	1000mm x 50 metre	314.60	365.15	roll

## Have you received our 2012 Product Selection Guide?

Furnware's 2012 Product Selection Guide a must for all:

- ✓ Cabinetmakers
- ✓ Kitchen Manufacturers
- ✓ Furniture Manufacturers
- ✓ Joiners
- ✓ Shop Fitters
- ✓ Architects & Designers

We are pleased to announce the release of our latest catalogue showcasing our complete range of over 7,000 products. We are excited about the many new & innovative products that we have added to our already comprehensive range of cabinet hardware. Our products are continually being evaluated and improved to take the lead in our ever progressing market.

Once again, we have applied our Easy-to-read principle to the catalogue and being fully priced, this catalogue is a must have for every cabinet maker.

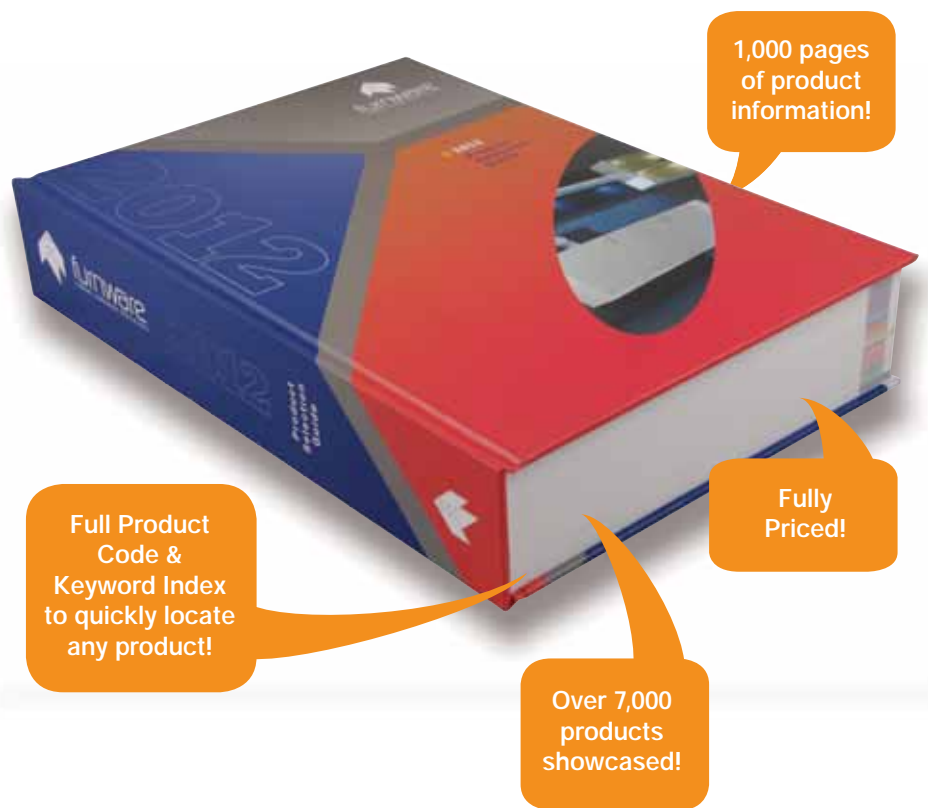

We are currently distributing these catalogues so keep an eye out for your copy.
